Supplementary Scores

The Scottish Golf Union has recently received permission from CONGU (The Council of National Golf Unions) to extend a programme of Gents Supplementary Scores across all Scottish Golf Clubs. Royal Montrose Golf Club will participate in this programme.

Who is eligible to participate in the Supplementary Scores?

This programme is only available to players in handicap categories 2 (6-12), 3 (13-20), and 4 (21-28) who returned ten or less qualifying scores for handicap purposes. The club will display a list of members in the Club House who are eligible to participate.

Objectives:

To provide additional opportunities for members to return scores for handicap purposes, at a time of their choosing, who: -

- Cannot regularly participate in Club competitions due to family or business commitments.
- Cannot obtain, on a regular basis, an acceptable starting time on competition days.
- Wish a handicap reflective of current ability and have little desire, for whatever reason, to play in formal competition.

Controls:

The following conditions for Supplementary Score rounds apply: -

- A Player intending to return a Supplementary Score is required to signify his intention prior to the commencement of play, by entering their name in the Away/Supplementary Score Book in the Gents Locker room.
- A Supplementary Score may only be returned at the "Home" club of the Player.
- An acceptable score for Supplementary Score purposes is any authenticated score other than in a Qualifying Competition returned under stroke play conditions over a measured course e.g. the score can be returned from Forward or Medal tees on both courses.
- No CSS will be calculated and adjustments to handicap will be made in relation to the SSS Scores returned and will be subject to Clause 19.8 adjustment (Net Double Bogey).
- A Supplementary Score will be recorded in the Player's Handicap Record and any adjustment in handicap (up or down) made in the usual manner.
- A maximum of ten Supplementary Scores may be returned per annum. The return of Supplementary Scores will be limited to TWO per FORTNIGHT.
- The acceptance of any Supplementary Score is at the discretion of the Club and returns will be subject to Clause 19 application if manipulation is suspected.
